We are incredibly proud to announce that Tharun, one of our talented young players from the Jogupalya community, has been selected for the Karnataka Under-13 State Team! This remarkable achievement is a true reflection of his hard work, dedication, and passion for Football.

We had the incredible privilege of welcoming two players from Bengaluru FC's AFC squad, Harsh Patre and Noarem Roshan, to our local ground. They inspired our young players by sharing their football journeys, highlighting the challenges, rejections, and perseverance that shaped their path to the big stage. For our boys, who had only seen these stars on TV or from the stands, meeting them in person was a dream come true. Adding to the excitement, the players brought sweets to share, spreading joy and warmth. To top it off, they generously gave away 50 match tickets, allowing our boys to experience the thrill of watching the game live at the stadium—a moment they will cherish forever!
